No problem on the ATTAINS stuff. I am busy with other things and haven't thought about MN 2022 ATTAINS in a week or so, which seems like a long time.

Also, FYI, my supervisors are likely going to be reaching out to Catherine Neuschler and Bill Cole re: setting up a time to talk about Birch Lake and the comments which you all received in the 2022 Public Notice. I assume that reaching out email will be sent to Catherine and Bill, and potentially you as well, in the coming days.

Hope your detail is going well! Happy Friday

Paul
